

Joanne's Dance Center

NOVEMBER 2011

Just a few reminders and announcements...

We are **closed** Wednesday, November 23 through Sunday, November 27.

Winter weather means wet feet, so please keep in mind that wet shoes are not allowed in dance rooms.

Miss Samantha is scheduled to have her baby boy November 4, but will return to class on Monday, November 28. There will still be regularly scheduled classes during her absence. We wish her and her family well!

November costume deposits are **now due**. All costumes must be **paid in full** at this time. We cannot order costumes until payment is complete, so please pay at your earliest convenience.

Near the end of this month (or early December) there will be a photo album with pictures of ordered costumes available in the lobby for parents to review.

PLEASE NOTE NEW POLICY THIS YEAR: Costumes will NOT be released to students until all costumes balances are paid in full. This includes any rhinestones or extra accessories. This policy applies to competition team students as well (costumes will not be released until all rhinestones balances are paid).

PLEASE NOTE NEW POLICY THIS YEAR: Your child's instructor may or may not decide to participate in end-of-class show-and-tell the week before November break. With Miss Samantha's absence and the fact we also do show-and-tell the week before Christmas break, instructors may decide to use full class time for instruction. Please plan ahead for Christmas show-and-tell the week of December 19-23.

Saturday night recital DVD's are now available! Stop by the front desk to get your copy.

We love to see a busy waiting room! However, we have noticed that trash and belongings are left behind each night. Please be courteous to your fellow dancers, parents, instructors and staff by removing all trash and checking for belongings as you leave. Thanks.

Don't forget to check the lost-and-found box down by Room 1.

Happy Thanksgiving! We are so thankful for you.
