

Joanne's Dance Center

FEBRUARY 2012

Just a few reminders and announcements...

COMPETITION STUDENTS: If you are in need of competition jewelry (pony holders, bracelets, necklaces, earrings, etc.) please inform the front desk immediately.

All of us at the studio are so thankful for the wonderful holiday gifts and treats. We loved them all!

We raised nearly \$275.70 for the competition team with the Thirty-One fundraiser. Thank you again!

'Tis the season for inclement weather! Even if Ballston Spa schools close for a snow day, we may still hold classes in the evening. **Call the studio phone 885-1170 after 2:00 p.m. for studio closing announcements.** We will also try to send mass e-mails and update the website, but this may not always be possible.

The studio will be **CLOSED** for winter break Monday, February 20 through Saturday, February 25. As of now, Sunday classes are **STILL SCHEDULED**.

PLEASE—**NO PARKING** in front of the building. It's dangerous for our dancers and parents, and it prevents cars parked in the lot from being able to pull in or back out safely.

Lots of trash is being left behind each evening when classes are done. Please be considerate and pick up after yourself. There are trash receptacles next to the front door, at each end of the waiting room and in the restroom. There are also recycling bins at the far end of the waiting room near the magazine rack.

We are currently confirming recital dates and times, and will announce them soon. Stay tuned!

If you've signed up for Terry's hip-hop production, please note that **you will be expected to perform in BOTH recitals**. If you cannot meet this commitment please do not sign up for the production.

Don't forget to check the lost-and-found box down by Room 1 for lost or missing items.

Happy dancing...
